

# The best protection for your furry and four-legged friends

By Tracey Morley Jewkes,  
Managing Director, Blacks Vets

## SAVE 30-60% ON PET HEALTHCARE!

*Hands up if your new year's resolutions include saving money and getting organised? As we recover from the excesses of Christmas, most of us make up our minds to start the*

*year with healthy, proactive intentions. Well at Blacks Vets, we believe that extends to our pets too!*

Introducing our new Protect My Pet Club; a great new way to provide the very best preventative healthcare for your pet whilst also looking after your pocket. Suitable for dogs, cats and rabbits, the year round plan provides key protection against nasty parasites including fleas and worms, annual vaccination boosters, nose to tail health checks, a complimentary nail clip and a free veterinary consultation!\* As well as standard preventative vaccinations and treatments, dogs will also benefit from protection against Lungworm, a killer that is known to be present in the region.

Protect My Pet Club is free to join and as well as providing incredible savings on preventative healthcare, pet owners also enjoy discounts and promotions on routine procedures such as neutering, dental work, Rabies vaccinations, microchipping, Tick prevention and diet. If you've struggled to remember when to apply flea and worming treatments to your pet, Protect My Pet Club helps manage the process by issuing home dosage at your pet's regular vaccination and health check appointments, so you need only focus on the next few months at any one time. Regular contact with the nursing and veterinary team also means that you can proactively manage your pet's health, identifying and managing issues as they arise.

As animal lovers as well as veterinary care professionals, we are passionate about providing the very best healthcare to pets, so that they stay happy and well for as long as possible. Protect My Pet Club aims to deliver many of the services that make this possible at a price that offers exceptional value. How? Well, we bulk buy vaccines and treatments available on the plan and simply pass the discount on to our clients. We want Black Country pets to be the healthiest in the UK and for pet owners to be empowered to offer excellent care to their animals.

meaning that Protect My Pet Club truly makes great financial sense whilst providing peace of mind.

You can join at any time, regardless of your pet's age, with membership provided on an annual basis. So, if you're a dog, cat or bunny owner, why not find out more? Visit our website [www.blacksvets.co.uk](http://www.blacksvets.co.uk) or feel free to drop in to one of our five Black Country branches in Dudley, Lye, Sedgley, Oldbury or Quinton. Protecting your pet has simply never been easier or more cost effective, so this year, make one resolution you know you can keep!

\*Terms and conditions apply. Please contact Blacks Vets for full details.

\*\* Figure quoted applies to insured cats.

Prices start from as little as £8.99\*\* per month and are determined by species and weight. If your pet is insured, you will enjoy even greater discounts and will save over £100\* a year. Non-insured pets still make great savings of at least £66\* per year

**The Blacks Veterinary Hospital** in Dudley is open **24/7, 365 days a year** so call **01384 252509** in an emergency.
