'I have used Blacks since owning my dog and I wouldn't take him anywhere else. The staff are very friendly, helpful and very knowledgeable. My dog always receives the best care. He's part of Protect My Pet Club and goes regularly for check ups. At the last an ear infection was noticed and he received excellent care before the infection got any worse.' (KK)

'Great service, chatty friendly staff, highly recommended. Their pet club also saves a lot of money over the year' (TW)

'Always take my dog here. Have been using them for a number of years now and the staff are fantastic. Part of the pet club too. Worth the money for vaccinations, flea and worming treatment and free check ups' (JA)
